The 2009 MOTOSCOPE Northern Historic Rally Championship

The 2009 Motoscope Northern Historic Rally Championship has been announced this week and gets underway with The Motoscope Riponian Forest Stages based in the Yorkshire forests east of Thirsk. Already the interest is high for the first of nine rounds, which consists of up to 40 stage miles run entirely on gravel surface private and forestry roads. The special stages are connected by Public Highway sections of approximately 80 miles. Regulations are available now at <http://www.riponian.co.uk/>.

The Motoscope Northern Historic Rally Championship features nine rounds of which there is a mixture of sealed tarmac and multi-use, multi venue forest stages. All nine events will be included in the championship, with a competitor's best seven results counting. Every qualifying competitor would receive 1 point for starting each event. Championship Co-Ordinator Mark Casey said: *"I am really looking forward to taking on this role and I hope I have compiled a good mixture of events attracting a variety of drivers and cars. I hope I have offered some good events that will appeal right across the scale to people with smaller budgets and crews who are seeking tough competition. I look forward to welcoming and working alongside everyone involved and take this opportunity to welcome back Motoscope as a serious sponsor and hope we have successful year together."*

Championship Sponsor Richard Pocklington said: *"I am proud to be the main sponsor of this continually expanding championship for the second year running and wish everyone the best of luck in 2009"*

Regulations will be available soon on <http://www.motoscope-online.co.uk/nhrc2009.htm> or by contacting the Championship Co-Ordinator Mark Casey on Mob: 07949 899 619.

Further information is also available at <http://www.motoscope-online.co.uk/nhrc2009.htm>.
